Association of obesity with hypertension and type-2 diabetes mellitus in India: A meta-analysis of observational studies

Giridhara R Babu, GVS Murthy, Yamuna Ana, Prital Patel, Deepa R, Sara E Benjamin Neelon, Sanjay Kinra, K Srinath Reddy

Abstract

Aim: To perform a meta-analysis of the association of obesity with hypertension and Type 2 Diabetes Mellitus (T2DM) in India among adults.

Methods: To conduct meta-analysis, we performed comprehensive, electronic literature search in the PUBMED, CINAHL Plus, and Google Scholar. We restricted the analysis

to studies with documentation of comprehensive literature search in India
