Doctor
XI XANG
Assistant Editor, Editorial Office
Baishideng Publishing Group Inc
World Journal of Critical Care Medicine

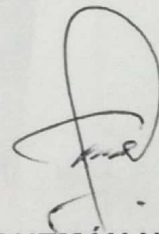

Dear Doctor:

By means of the present letter, The Clinica Universitaria Bolivariana and its International Patient Office provided English language editing service for the manuscript: "**Adverse Events in Critical Care: Search and Active Detection through the Trigger Tool**", and certifies that the manuscript meets the criteria of English language quality.

Best regards,

ELIANA MARÍA URIBE MEJÍA, MD
General Physician
International Patient Office
Clinica Universitaria Bolivariana
Medellin, Colombia

ABELARDO GUZMÁN HURTADO. MD
Medical Director
Clinica Universitaria Bolivariana
Medellin, Colombia
