

Dear Editor,

Enlisted below are the revisions made to the manuscript entitled “Role of pregnane X-receptor in regulating bacterial translocation in chronic liver diseases”, which was submitted to your esteemed World Journal of Hepatology.

S.No	Revisions suggested	Revision made
1	Please provide the grant application form(s). If you can't provide it, please delete this part.	The “Supported by” section has been deleted.
2	<p>Please add PubMed citation numbers and DOI citation to the reference list and list all authors. Please revise throughout. The author should provide the first page of the paper without PMID and DOI.</p> <p>PMID (http://www.ncbi.nlm.nih.gov/entrez/query.fcgi?db=PubMed) DOI (http://www.crossref.org/SimpleTextQuery/) (Please begin with DOI: 10.**)</p> <p>For those references that have not been indexed by PubMed, a printed copy of the first page of the full reference should be submitted.</p>	<p>PubMed citation number and DOI citation have been added to all references, wherever applicable. All the authors have been listed for each reference. All the references have been revised throughout.</p> <p>Now the references have been changed according to journal style.</p>
3	Please provide the decomposable figure of Figures, whose parts are movable and can be edited.	As suggested, all the figures have been made decomposable in a manner they can moved and edited. The same has been provided in a separate word file.

Sincerely yours,

Dr Balasubramaniyan V
