

July 5, 2013

Dear Editor,

On behalf of the other authors, please find the enclosed manuscript for consideration in *World Journal of Gastroenterology* as a case report (file name: 3643-Review.docx).

**Title:** Spontaneous intramural duodenal hematoma in type 2B von Willebrand disease

**Author:** Derrick D. Eichele, Meredith Ross, Patrick Tang, Grant F. Hutchins, Mark Mailliard

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 3643

The manuscript has been improved according to the suggestions of the reviewers:

1 Format has been updated to reflect requirements and core tip has been included.

2 Revisions have been made according to the suggestions of the reviewer

(1) Reviewer NO:02446804. Reviewer asked that lab data be included for the basis of which the diagnosis of von Willebrand disease was made. This has been updated to include the genotype result. Also, the reviewer asked to include arrows indicating location of the hematoma on CT images. Arrows have been included to direct readers to the abnormality.

3 References and typesetting were corrected.

Thank you again in advance for your consideration of this manuscript in the *World Journal of Gastroenterology*. We look forward to your response.

Sincerely,

Derrick D Eichele, MD
