

Roma, July 01, 2013

To:
Su-Xin Gou, Science Editor, Editorial Office
Baishideng Publishing Group Co., Limited

Object: Language of ESPS Manuscript No. 3678

I guarantee that the language of the manuscript No. 3678, submitted to World Journal of Obstetrics and Gynecology and entitled

"Mirabegron, a novel, non-antimuscarinic drug for the overactive bladder: an up-to-dated review"

has reached or exceeded Grade A.

The corresponding Author:
Emilio Sacco, MD, PhD
Urologic Clinic, "Agostino Gemelli" Hospital,
Catholic University Medical School of Rome, 00168, Italy

A handwritten signature in black ink, appearing to read 'Emilio Sacco', with a stylized, flowing script.
