Dear Dr McNamara

Please be advised that discussion of the following project by the Clinical Audit Committee for formal approval has been approved on **20/04/2016**. The Clinical audit department is happy for the project to go ahead.

CE16/1619 Quality of life anxiety and depression in patients with Gastroenteropancreatic Neuroendocrine tumours (GEPNETs)

I also attach our report template, required for completion at the end of the project, for your reference.

Please contact the Clinical Audit team if you require any further information or help with your project.

Kind regards
Joseph Cope
