

Department of Biostatistics

The Christie Hospital NHS Foundation Trust

550 Wilmslow Road

Manchester

M20 4BX

25th October 2017

I can confirm that I, Xin Wang, completed statistics on the following project : Health-related Quality of Life, Anxiety, Depression and Impulsivity in patients with advanced GastroenteropancreaticNeuroendocrine Tumours – audit number **CE16/1619**.

My qualifications are MsC in Biostatistics and I am employed in the role of statistician by The Christie NHS Foundation Trust.

Kind regards

Xin Wang
