To whom it may concern,

This is to certify that a medical editor who is an English native speaker associated with our company, Gere Medical Writers Co., Ltd, has edited the manuscript entitled **“The learning curve of transumbilical single-port laparoscopic cholecystectomy”**.

The medical editor who edited the manuscript has been a professional editor and writer for several years and is a member of American Medical Writers Association.

This paper has been sent back to the author on February 7, 2012. If there is any change on the manuscript by the author after the above mentioned date, this certificate is invalid.

Cordially,

Gere Medical Writers Co., Ltd
