

## **REVIEWER Responses**

We greatly appreciate the thorough review and comments recommended.

We provide answers to all the specific questions of the reviewers below:

### **Reviewer 1**

During review how many articles were included? Was there a specific inclusion/exclusion criteria?

Over 500 articles were retrieved by relevant title search, of which 50 were selected after reviewing the abstracts.

No language or date exclusions were applied. Most of the relevant literature were published in English language.
