Dear editor,

Following the reviewers' comments on the manuscript titled "Complex PTSD: The need to consolidate a distinct clinical syndrome or to reevaluate features of psychiatric disorders following interpersonal trauma?" ID 03529369, on behalf of the authors here is as follows the answer to the reviewers.

Thank you dearly for your interesting input on our work. We have proceeded as suggested by reviewer with Number ID 02446101, to language polishing. We have also proceeded as suggested by reviewer with Number ID 02445327 in correcting the spelling of the abbreviation of BPD (as BDP in several sentences). We deeply appreciate your suggestions for acceptance of our manuscript.

Finally, we have proceeded in all the changes and needed supplements the editor suggested in our edited manuscript.

Thank you very much for giving us the opportunity to publish in your journal.
