Dear editor,

For preparing the manuscript for the invited article titled “Complex PTSD: The need to consolidate a distinct clinical syndrome or to reevaluate features of psychiatric disorders following interpersonal trauma?” with the ID: 03529369, there was no clinical research and no human subjects involved.

Thus, an Institutional Review Board Approval was not required and neither Signed informed consent forms.

Therefore, the Signed Informed Consent Form(s) or Document(s) is not applicable.

Best regards,

Eleni Jelastopulu, MD, PhD, Professor

Manuscript’s Supervisor and Corresponding Author
