Su-Xin Gou,

Science Editor,

Editorial Office

Baishideng Publishing Group Co., Limited

Dear Su-Xin Gou

As a first language English speaker, I believe that the language of our manuscript entitled:

**Hepatitis B Virus Subgenotype A1 Predominates in Liver Disease Patients
from Kerala, India**

has reached or exceeded Grade A and therefore I sign a guarantee that we do not wish to have our manuscript edited by an English language editing company.

Yours sincerely

Professor Anna Kramvis

Leader: Hepatitis Virus Diversity Research Programme
