### JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

In the Case Report, "Ayurvedic drug induced liver injury", the authors presented a female patient suffered from drug induced liver injury (DILI) while taking the Ayurvedic drugs. The purpose of this Case Report is not to blame the Ayurvedic formulations. Instead, this Case Report aims to remind the clinicians that they should pay attention to the DILI even the taken drugs have been used safely for years. Thank you very much for your kindness to submit this Letter to the Editor. However, this letter is not suitable to be accepted for publication in the World journal of Hepatology.
