Subject: manuscript language editing

To whom it may concern,

This is to certify that the undersigned, Jacobus Hagoort, MA, has carefully reviewed Manuscript NO.: 36862, *Four cancer cases after esophageal atresia repair: time to start screening the upper gastrointestinal tract*, by Floor W.T. Vergouwe et al.

As in-house editor in Erasmus MC University Medical Center I have a long-standing practice of text-editing, almost exclusively of scientific articles in English. Still, I will be held responsible for any shortcomings of the above-mentioned manuscript.

Should you require any additional information, please do not hesitate to contact me.

Yours sincerely,

J. Hagoort
