

## Certificate of Biostatistics

23 January 2018

Title of Study: Systems pharmacology approach reveals the anti-inflammatory effects of *Ampelopsis grossedentata* on dextran sodium sulfate-induced colitis

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Sincerely yours,

Institute of Digestive Disease,  
Longhua Hospital, Shanghai University of Traditional Chinese Medicine,
