Madrid, February 13th, 2018

This is to certify that Prof. Manolo Guzmán, Associate Profesor of the Center for Modern Languages at the Complutense University, Madrid certifies that the Certificate of Language for this manuscript is B. The English language has been checked for typos and error. In addition, Dr. Leonard J. Nelson, coauthor of the manuscript, has also carefully reviewed the English language of the manuscript WJG-38133 "**Dissecting the molecular pathophysiology of drug-induced liver injury**", as Prof. Nelson's mother language is ENGLISH.

Sincerely yours,

Prof. Manuel Guzmán
Associate Professor
