**Informed Consent Statement:** As this is a retrospective study using anonymous data, patients were not required to give informed consent. Data analysis was based on data from medical charts obtained after each patient agreed to treatment.

**Name:** Orestis Ioannidis

**Signature**

A small, square, black and white image of a handwritten signature. The signature is written in a cursive style, with the first letter being a large, stylized 'P' or 'B'. The rest of the signature is less distinct but appears to be a few more letters.

**Date:** 23/1/2018
