

Dear Editor,

Thank you very much for allowing us to revise the manuscript. We revised the manuscript following the reviewers suggestions.

Reviewer 1

1. The grammatical errors were corrected.
2. A figure that depicts the possible mechanisms which underlie the association of obesity with lung function, was added.
3. The reference style was corrected.

Reviewer 2

Comorbidities of obesity such as OSAS and hepatic steatosis, that may be related to the association of obesity and lung function, are discussed in the third paragraph of the discussion section.

The reference style was corrected
