

Institutional Animal Care and Use Committee Approval Form or Document

Department of Radiology

Translational and Molecular Imaging Institute

Icahn School of Medicine at Mount Sinai

Hess Center for Science and Medicine

1470 Madison Avenue, New York, NY 10029, United States

February 7, 2018

No animals were involved in our study “Effect of varying CT acquisition and reconstruction parameters on semi-automated clot volume quantification” and therefore Institutional Animal Care and Use Committee Approval was not required.

Venkatesh Mani, Ph.D.

Associate Professor, Department of Radiology

Director, Cardiovascular Imaging Clinical Trials Unit

Translational and Molecular Imaging Institute

Icahn School of Medicine at Mount Sinai
