CERTIFICATE

Dear Sir or Madam:

As a qualified biomedical statistician I hereby certify that I performed the statistical analysis of the study entitled „Intralesional steroid is beneficial in benign refractory esophageal strictures: A meta-analysis” by Szapáry et al. and affirm that it is free from any methodological errors and therefore meets the relevant editorial standards.

Should you require any further information, please do not hesitate to contact me at the number below or by e-mail at nelli.farkas@aok.pte.hu.

Yours sincerely,

Nelli Farkas, Ph.D.
