

Milan, 07th March 2018

Title of the draft paper: **Renal transplants from older deceased donors: is pre-implantation biopsy useful? A monocentric observational clinical study**

Chief investigator: Giacomo Colussi, Division of Nephrology, Dialysis and Renal Transplantation, ASST Niguarda Hospital, Milan, Italy

To whom it may concern:

I have read the final draft of the above mentioned paper, revising for grammar and spelling mistakes. The paper, in my opinion, is ready for publication.
