

Dear Editor,

enclosed you will find the revised version of the paper "Psychic Euosmia and Obsessive Compulsive Personality Disorder".

The manuscript was amended according to all comments and suggestions received.

In particular:

1. A short running title was included
2. Authors' name was written without abbreviation.
3. Addresses were written in affiliations for all Authors
4. ORCID number of every author were insert
5. Authors' contributions were specified
6. All data of correspondence author were included
7. Key words were insert
8. An abstract was included
9. A core tip was included
10. All the reference numbers in the manuscript were reformat as you requested
11. All Pubmed citation numbers and DOI citation were insert

The manuscript was revised by a professional English language editor with expertise in this subject area.

While awaiting for a kind reply I remain,

Best Regards

Massimo Pasquini
