

## Format for ANSWERING REVIEWERS

September 5, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format Measles OF methodology for measles elimination review final

**Title:** The role of oral-fluid based measles diagnostic methods for measles global elimination

**Author:** Wondatir Nigatu and Antoine Nsabimana

**Name of Journal:** *World Journal of Experimental Medicine*

**ESPS Manuscript NO:** 3876

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) To describe much more on OF methodology an appropriate figure is added for the a standardize Microimmune EIA assay principle and procedure (See Figure 2).

(2) Comparison of different approaches for eradication of measles is briefly described in the text as well presented in Figure 1 and Table 2.

(3) The socio-economic relevance of the OF methodology is briefly described under page 11 in the text.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Experimental Medicine*.

Sincerely yours,

A handwritten signature in blue ink, appearing to be 'Wondatir Nigatu'.
