Re: invited manuscript ID 38949

Dear Editor,
Dear Reviewers,
we are submitting our revised manuscript entitled

"Advances in molecular, genetic and immune signatures of gastric cancer. Are we ready to apply them in our patients' decision making?"

for your review and consideration for publication in your distinguished peer-reviewed journal.

All the necessary changes in the text were made. The table 2 was reformatted (major revision) as requested.

A short running title, a core tip, ORCID number and contributions of every author were provided. All reference numbers and references format (DOI, PMID) were reformatted. Native English speaking authors edited the manuscript.

Once more, we would like to thank you for your thoughtful consideration of our manuscript and your kind invitation to submit a paper to your journal. Please contact me if any further information is required.

Sincerely Yours,

Panteleimon Kountourakis MD, PhD
