Dear Sirs,

by signing this letter, I Professor John Frederick Osborn, born and for 50 years resident in England, confirm that the language of manuscript entitled "Mediterranean diet and nonalcoholic fatty liver disease" (Authors: Caterina Anania, Francesco Massimo Perla, Francesca Olivero, Lucia Pacifico, Claudio Chiesa) is excellent English and is certainly of sufficiently high quality to be published in a world class scientific journal; I am sure that it surpasses the level required for Grade A.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'J. Osborn'.
