

August 6, 2013

Dear Editor,

**Title:** Epidermoid Cyst of Intrapancreatic Accessory Spleen: A Case Report and Literature Review

**Author:** Lee ChongLek, Di Yang, Jiang Yongjian, Jin Chen, Fu Deliang

**Name of Journal:** *World Journal of Surgical Procedure*

**ESPS Manuscript NO:** 3902-edited

Thank you for your letter and for the reviewers' comments concerning our manuscripts. Those comments are valuable and helpful for revising and improving our paper. We have studied comments carefully and have made modification on the original manuscript based on your comment and request.

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated according to "format for case report", and core tip has been updated in revised manuscript.

2 Revision has been made according to the suggestions of the reviewer. We are very sorry for our negligence of incorrect writing. Language has been polished by a colleague who is an English native speaker and expertize on medical English editing.

3 References and typesetting were corrected. We have listed all authors' name in revised manuscript.

We appreciate for your warm work earnestly and hope that the correction will meet with approval. Once again, thank you very much for your comments and suggestions

Sincerely yours,

Deliang Fu

MD, PhD,

Professor of Surgery,

Chief of Department of Pancreatic Surgery
