SPECIFIC COMMENTS TO AUTHORS

A very complete and well written revision regarding the importance of the endoscopic capsule in patients with Crohn's disease. The authors explains how the colon capsule - Crohn works. The paper would be better if they present some results.

SPECIFIC COMMENTS TO AUTHORS

This is an unstructured review of data published and reviewed multiple times in the past. With the exclusion of one and a half paragraph, there is no novelty with this manuscript. The title is miss-leading since only a small portion of the manuscript is relevant to the title
