

Format for ANSWERING REVIEWERS

July 16th 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 3936-reedited.doc). We already performed English editing by native speak editor (see acknowledgement) same as Reviewer classified this manuscript as A graded quality and expressed opinion such as: "This is a well-written manuscript, and I agree with you about post-genomic genetic counselling. However, a few words need to be corrected", we performed all recommended corrections without unnecessary English language reediting.

Title: Genetic counseling in post-genomic era – to be or not to be

Author: Bukvic Nenad, Margaglione Maurizio

Name of Journal: *World Journal of Medical Genetics*

ESPS Manuscript NO: 3936

The manuscript has been improved according to the suggestions of reviewers:

On page 1, what is the meaning of a tndhe in the sentence of "a tndhe principal challenge is to be up to date and updated"?

"..... and the principal challenge is to be up to date and updated."

On page 4, is it dally or daily practice?

".....daily practice,....."

On page 5, "successfully applied to " please delete one extra "to"

ACCEPTED and change has been done.

The manuscript was prepared according to the requirements. RUNNING TITLE has been written, PubMed citation numbers for the reference list, e.g. PMID and DOI was provided. We check and corrected our references according to the format of published articles in World Journal of Medical Genetics. References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Medical Genetics*.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Nenad Bukvic', written in a cursive style.
