

WORLD JOURNAL OF GASTROINTESTINAL ENDOSCOPY

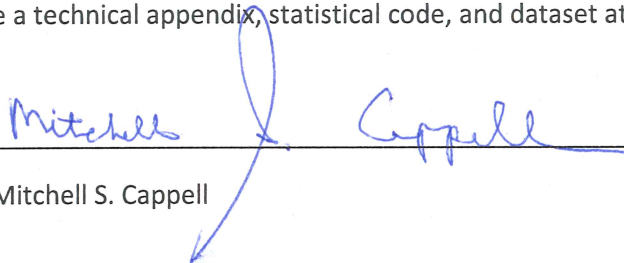

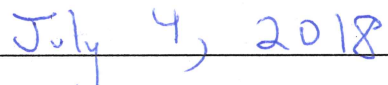

SYSYTEMATIC REVIEW

MANUSCRIPT #: 39594

TITLE: A systematic review of safety and efficacy of therapeutic ERCP during pregnancy, including studies of radiation-free ERCP

AUTHORS: Mitchell S. Cappell, Stavros N. Stavropoulos, David Friedel

This publication as a review of the literature does not present any original data. It does not, therefore, have a technical appendix, statistical code, and dataset at a computer repository for data sharing.
