Health care reform in the United States: radical surgery needed now

**Name of Journal:** *World Journal of Orthopedics*

**Manuscript NO:** 39733

**Manuscript Type:** ORIGINAL ARTICLE

*Retrospective Study*

**Mandated health insurance increases rates of elective knee surgery**

Daniel Kim, Woo Do, Shahein Tajmir, Brandon Mahal, Joe DeAngelis, Arun Ramappa

### **Abstract**

**Background:** The recent federal ruling to against Affordable Care Act (ACA), specifically the mandate requiring people to buy insurance, has once again brought the healthcare reform debate to the spotlight. The ACA increased the
