

Editor in Chief, *World Journal of Gastroenterology*
Lian-Sheng Ma, President and Company Editor-in-Chief
Xue-Jiao Wang, Science Editor, Editorial Office

June 16, 2018

Dear Editors and Reviewers,

Thank you and the reviewers for a thorough review of our manuscript entitled “**Diagnosis and Management of Fibromuscular Dysplasia and Segmental Arterial Mediolytic in Gastroenterology Field: A mini-review**” (No. 40032) by myself for publication as a mini review in *World Journal of Gastroenterology*. The provided ID for this invited review is (00188507).

The positive comments from the reviewer and editor are greatly appreciated. In preparing for revision, we have carefully studied comments and incorporated many of their suggestions into the revised manuscript. For your convenience, we have highlighted the changes made in blue. We hope this revised manuscript is now acceptable for publication in *World Journal of Gastroenterology*.

We declare that this work is original, the manuscript is not under consideration by other journals, and the material has not been previously published. All authors approved the contents submitted. We look forward to hearing from you at your earliest convenience.

Thank you for your consideration.

Sincerely yours,

Kenya Kamimura, M.D., Ph.D.
