To whom it may concern

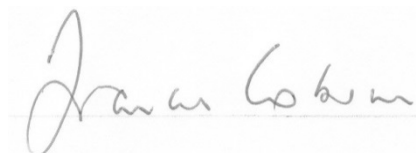

The manuscript entitled:

" HCV related cirrhosis decreased as indication to LT since the introduction of Direct-acting antivirals: a single-center study"
by Ferrarese A et al.

submitted for consideration for publication in the *World Journal of Gastroenterology*

has been carefully checked, and any grammar, syntax and spelling errors have been corrected by myself, the undersigned Frances Coburn, an English mother-tongue, full-time freelance professional translator and scientific text editor with 30 years of experience in the editing of medical and scientific papers for publication in international journals.

Yours sincerely,

Frances Coburn
