

Lian-Sheng Ma, Founder and Chief Executive Officer  
Scientific Editor of World Journal of Cardiology

June 19<sup>th</sup> 2018

Dear Editors,

Please find enclosed the revised version of our editorial entitled "**T-cells in myocardial infarction: culprit instigators or mere effectors?**" by Drs. Liberale, Bonaventura and myself for re-consideration for publication in *World Journal of Cardiology*.

We certify that we are Native Speakers of English and we do not need any Certification by a Company on the quality of English Language in our article.

Thank you in advance for your consideration.

Yours sincerely,

Fabrizio Montecucco, MD, PhD
