The manuscript was written by the first author Dr. Kuerbanjiang Abuduxikuer MPH, PhD.

Dr. Kuerbanjiang Abuduxikuer holds a Master of Public Health Degree (concentration of Child and Adolescent Health) from Johns Hopkins Bloomberg School of Public Health. He also has spent 6 months at the Great Ormond Street Hospital in London as an observer. He has a good command of both written and spoken English. He has written several publications without needing a language editing service.

We will be more than happy to send the manuscript to a native speaker in medical field to go through English language quality if editors feel it is necessary.
