22<sup>nd</sup> October 2013

Prof. R. W. Jayasekara  
Director  
Human Genetics Unit  
Faculty of Medicine  
Kynsey Road  
Colombo 8

### NRC Grants 2013 - NRC Grant No. 13-108

Your application for the project entitled:

*"Genetic risk alleles for ulcerative colitis among a Sri Lankan case-control panel"*

is funded to the extent set out in the table below

### **Approved funding (RS) for 24 months commencing October 2013**

	Rs.
Major equipment*	-
Minor equipment	1,500,000.00
Consumables	4,715,000.00
Travel	-
Stipend for PhD/ Mphil student	-
<b>Total</b>	<b>6,215,000.00</b>

Any changes to the above approved votes need Council approval. This grant is subjected to your institutional audits.

Name of co- investigator: Dr. Madunil Anuk Niriella / University of Kelaniya,  
Prof. H Janaka de Silva / University of Kelaniya.

The Council considers a research project successfully completed, when it results in a publication in a referred journal, preferably in a SCI cited journal. If the research results can be implemented or if there is a technology transfer accruing from this grant to benefit the country, the Council is eager to assist you.

With my best wishes for scientific success in this venture.

A handwritten signature in blue ink, appearing to read "H. J. De Silva".

Prof. H. J. De Silva  
Chairman

Cc. Dean, Faculty of Medicine, University of Colombo - for your information and necessary action
