

August 5, 2013

Dear Editor,

Our manuscript with the title of: Evaluation of microvascular reactivity with laser Doppler flowmetry in chronic kidney disease (name of journal: *World Journal of Nephrology*, ESPS manuscript number: 4098) has been corrected by a language expert, so we guarantee that it reaches Grade A language level.

Sincerely,

A handwritten signature in blue ink, appearing to read 'János Nemcsik', with a long horizontal flourish extending to the right.
