

Name of journal: World Journal of Methodology

ESPS Manuscript NO.: 41224

Column: Retrospective Study

Title: Assessment of quality control system by sigma metrics and QGI: a roadmap towards preparation for NABL

Authors: Monica Verma, Kiran Dahiya, Veena S Ghalaut, Vasudha Dhupper

Institutional review board statement

As the study is a retrospective study (by collecting EQAS and IQC data of 1 year) and does not include any human and animal subjects, approval from an institutional review board was not obtained.
