### **Answers to reviewers**

**Reviewer's code:** 00036810

I have rearranged the description in Table, and added informative knowledges based on each cited articles to it.

**Reviewer's code:** 03255007

I have changed my statement in the paragraph on Drug Therapy Targeting is Necroptosis, which I consider will be more precise and scientific to show what I mean.

**Reviewer's code:** 00225294

I have revised my wording to avoid in some cases the same word in a sentence.
