World Journal of Gastroenterology Copyright Assignment

We certify that the material contained in this manuscript:

Ms No: 4207

Title: Induction of clinical response and remission of inflammatory bowel disease by use of herbal medicines - A meta-analysis

is original, except when appropriately referenced to other sources, and that written permission has been granted by any existing copyright holders. We agree to transfer to *World Journal of Gastroenterology* all rights of our manuscript, including: (1) all copyright ownership in all print and electronic formats; (2) the right to grant permission to republish or reprint the stated material in whole or in part, with or without a fee; (3) the right to print copies for free distribution or sale; (4) the right to republish the stated material in a collection of articles or in any other format. We also agree that our article be put on the Internet.

Criteria for authorship

The *WJG* requests and publishes information about contributions of each author named to the submitted study. Authorship credit should be based on (1) direct participation in the study, including substantial contributions to conception and design of study, or acquisition of data, or analysis and interpretation of data; (2) manuscript writing, including drafting the article, or revising it critically for important intellectual content; (3) supportive work, including statistical analysis of data, or acquisition of funding, or administration, technology and materials support, or supervision, or supportive contributions. Authors should meet at least one of the three conditions. The *WJG* does not publish co-first authors and co-corresponding authors.

We hereby assign copyright transfer to *WJG* if this paper is accepted.
