### Reviewer 1

- Thank you for your comments. I checked grammar again and revised.

### Reviewer 2

Thank you for your comments.

- I changed "There were no abnormal findings other than injections in the right eyelid and conjunctiva." into "There were no abnormal findings other than hyperemia in the right eyelid and conjunctiva."
- Figure of the pathologic specimen was added.
- I totally agree with your opinion about new molecular studies, but unfortunately we could not perform more molecular studies other than described in manuscript.
