

# BIostatistics REVIEW CERTIFICATE

Zagreb, October 16, 2018

To whom it may concern

I, Assistant professor, Milan Milosevic, MD, PhD, University of Zagreb, School of Medicine, Andrija Stampar School of Public Health WHO Collaborative Centre for Occupational Health, certify that the statistical analysis of the revised manuscript entitled: "**The effect of clonidine on the cutaneous silent period during spinal anesthesia**" was performed and verified at our Andrija Stampar School of Public Health WHO Collaborative Centre for Occupational Health. This certificate is to confirm that in my opinion, the statistical methods and techniques mentioned in this article are appropriate for the research.

Please contact me if you have any queries

Sincerely, 

Assistant professor, Milan Milosevic, MD, PhD, in University of Zagreb, School of Medicine, Andrija Stampar School of Public Health WHO Collaborative Centre for Occupational Health, Johna Davidsona Rockfeller 4, 10000, Zagreb, Croatia
