

To Whom It May Concern,

We edited the language of the manuscript titled "The Association Between Sarcopenia and Rheumatological Diseases: A Mini-Review". We believe we have corrected all language problems and hope that you will not find any problems with it.

Sincerely,

Ahmet Yalçinkaya, MD, PhD

Tibbi Akademik Consultancy

A handwritten signature in black ink, appearing to read "Ahmet Yalçinkaya", is positioned below the typed name and affiliation.
