Prof. Joon Hyun Cho

Division of Gastroenterology and Hepatology, Department of Internal Medicine, Yeungnam University College of Medicine, Daegu, South Korea

Dear Prof. Joon Hyun Cho,

It is a great pleasure to assist you in editing your manuscript.

The manuscript entitled '**Efficacy of 0.5-L versus 1-L of polyethylene glycol containing ascorbic acid as an additional colon cleansing method for inadequate bowel preparation expected by last stool examination before colonoscopy**' was proofread and edited by Dr. John Roberts, one of the English editors at NURISCO.

NURISCO is a professional English editing company which has been working for various prestige English journals for more than 20 years. NURISCO edits more than 70,000 papers per year for scholars of the major Korean universities. We select a specific native speaker with related major and English editing skill to improve both English and major related style of a particular manuscript.

Yours truly,

NURISCO
