

September 5, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 4365-Review.doc).

**Title:** Mechanotransduction in bone: Intervening in health and disease

**Author:** Anastasia Spyropoulou, Efthimia K. Basdra

**Name of Journal:** *World Journal of Experimental Medicine*

**ESPS Manuscript NO:** 4365

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

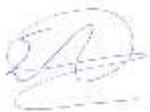

2 Revision has been made according to the suggestions of the reviewer

(1) Old references were updated with more recent ones. A paragraph was added analyzing the role of the OPG/RANK/RANKL pathway in bone remodeling, according to the suggestions of the reviewer.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Experimental Medicine*.

Sincerely yours,

Anastasia Spyropoulou
