Castleman's Disease of the Renal Sinus Presenting as a Urothelial Malignancy: A Brief Case Report

Name of Journal: *World Journal of Clinical Cases*

Manuscript NO: 45271

Manuscript Type: CASE REPORT

Radiologic features of Castleman's disease involving the renal sinus: A case report and review of literature

Xiao-Wan Guo, Xu-Dong Jia, Shan-shan Shen, Hong Ji, Ying-Min Chen, Qian Du, Shu-Qian Zhang

Abstract

BACKGROUND

We present a rare case of plasma cell type of Castleman's disease (CD) involving only the right renal sinus in a 65-year-old woman with a duplex
