

Sept 26, 2013

To Whom It May Concern,

Our editing company provided comprehensive editing services for the **ESPS Manuscript No: 4548**, "**Shugan-decoction relieves visceral hyperalgesia and reduces TRPV1 and SP colon expression**" which is under consideration for publication in your journal, the **World Journal of Gastroenterology**. The edit has achieved Grade A: priority publishing;
no language polishing required after editing.

Should you require any additional information, please do not hesitate to contact me.

Kind regards,

Jennifer C. van Velkinburgh, PhD
