Dear Editor,

My name is Ying Dai, currently a Staff Scientist at Beth Israel Deaconess Medical Center (BIDMC) and Teaching Faculty at Harvard University.

I am writing to confirm that I have proofread the revised manuscript “The treatment of invasive fungal disease: A case report” and believed that the language content has reached Grade A.

Please feel free to contact me if you need any additional information.

Very truly yours,

A handwritten signature in black ink that reads "Dai, Ying".
