To whom it may concern,

This is to certify that an experienced biostatistician who is associated with our company, Convergence CT, Inc., has reviewed the manuscript entitled “**Impact of perioperative transfusion in patients undergoing resection of colorectal cancer liver metastases: a population-based study**”. The statistical analysis, results sections and responses are appropriate. This paper has been sent back to the author on November 29, 2018. If there is any change by the author after the above mentioned date, this certificate is invalid.

Cordially,

Convergence CT, Inc.
