Role of the Microenvironment in Ovarian Cancer Stem Cell ...

<https://www.hindawi.com/journals/bmri/2013/630782>

Despite recent progresses in **cancer** therapy and increased knowledge in **cancer** biology, **ovarian cancer** remains a challenging condition. Among the latest concepts developed in **cancer** biology, **cancer stem cells** and the **role** of microenvironment in tumor progression seem to be related. Indeed, **cancer stem cells** have been described in several solid tumors including **ovarian** cancers.
