SPECIFIC COMMENTS TO AUTHORS

Aref et al presented this interesting review article about pancreas transplantation. Overall article is well written and cover most of the important aspect of panc transplant. If possible, I would request authors to add some more as below: 1. History of pancreas transplant 2. No. of pancreas transplant is going downhill- what should be done to

increase the number of panc transplant 3. In rejection section- they mentioned about panc rejection, would like to see their thoughts about role of kidney biopsy in SPK to diagnose pancreas rejection. 4. Figures are beautiful- seems some of the figures were from previously published journal- not sure if copyrights has been taken- if done would mention it.
